IN APPRECIATION

We, the Seniors of Spring Creek High School wish to express our appreciation to our parents for their many contributions to our future success. Without their help we could not have attained many of the goals that we set up for ourselves. We could not have made even a decent start up the long, difficult road of life without our parents behind us giving us courage to face the obstacles that faced us. Our deepest, sincerest thanks we give to each individual parent.
